

2025 DALLAS CUP DIGITAL GUIDE

TEAM PHOTOS

We are excited to announce that the upcoming 2025 Dallas Cup will once again feature a Digital Program.

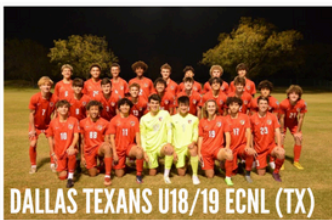

While we look forward to the day when we can return to the charm of a printed collectible, our digital tournament guide was once again a success this past April. Offered at no cost to our valued visitors, the digital program still encapsulates the essence of the Dallas Cup, showcasing tournament information, Dallas Cup features, and, of course, our participating team's photos!

We want your team photo featured in the Digital Program!

Please submit your team photo to Frances@dallascup.org by Wednesday, January 15.

While we will do our best to include any photos received, the recommended specs for the photos are listed below. Please follow the specs to ensure all players in photo are visible.
