Because of the unfortunate events around the world in recent years, the US Embassy in many countries is following very strict guidelines. It is taking much longer to arrange for the interview appointments and a much longer time to actually receive the necessary travel visas. If your team needs assistance from the Dallas Cup in obtaining visas and you have not already done so, complete the Team Request for Visas form and email to frances@dallascup.org immediately.

In order for your team to participate in the tournament, once you have obtained your visas, this form must be returned as soon as possible but no later than the date specified in the Official Invitation Instructions.

If for some reason you cannot return this form by the required deadline, contact Frances Sanchez by email at frances@dallascup.org immediately and provide the details of the problem you are experiencing.
