February 25, 2022

To: School Principal, Student Advisor, Teacher and/or Athletic Director

Subject: Student/Athlete competition, the Dallas Cup

This letter is to inform you that your student plays soccer for a club that has been selected to participate in the 2022 Dallas Cup Girls Invitational presented by Mary Kay, a premier youth soccer event in the United States.

The Dallas Cup tournament is the oldest international youth soccer tournament in the United States and will be celebrating its 43rd anniversary in 2022. This year's girls brackets will be played from April 9 - April 15, 2022, in Dallas, Texas. Between the girls and boys divisions, approximately 250 teams participate.

The Dallas Cup annually provides our youth players the opportunity to compete against some of the best soccer players from all over the United States and the world. With teams from different countries participating each year, these young players will benefit from a week-long experience of meeting and spending time with other participants from different cultures and ways of life. In addition, this is also an opportunity for our high school players to be scouted by coaches from many of the top college programs in the United States. Each year, the event draws hundreds of college coaches from across the country, as they use the Dallas Cup to identify future college players.

We ask for your cooperation, as we strive to develop our area's best youth soccer and academic athletes. We have done everything we can to limit the number of days of school that will be missed, but unfortunately, the players will miss a minimum of one day of school. That day is Monday, April 11th. If the team is successful, they would continue to play Tuesday, Wednesday, and Friday that same week. We would be very grateful if you would allow your student an excused absence for these days, and provide the student with assignments in advance. If you have any questions regarding our program, or this event, please do not hesitate to contact me. Thank you in advance for your assistance.

Sincerely,

Peter R. Davis
Executive Director at Dallas Cup, Inc.
